## SKILLS

**Programming Languages:** C, C++, Python, Java

**Other Tech Stacks:** HTML, CSS, Javascript, Oracle DB (SQL)

**Programming Concepts:** Data Structures & Algorithms, Object Oriented Programming

**Development skills:** Full stack web development, Android application development

## PROJECTS

- **Student Record Management System** [C++, OBJECT ORIENTED PROGRAMMING]
  - Proficiently developed a Student Record Management System in C++, emphasizing object-oriented programming, advanced programming skills, and file handling.
  - Streamlined student record management for educational institutions with a user-friendly interface and robust data security measures.
  - Demonstrated expertise in efficient and modular programming practices, ensuring a versatile and adaptable tool.
- **Personal Portfolio Website** [HTML, CSS, JAVASCRIPT]
  - Dynamic personal portfolio website showcasing a comprehensive range of skills and knowledge.
  - Skillfully crafted using a combination of HTML for structure, CSS for design, and JavaScript for interactivity.
  - Features a highly responsive design, ensuring optimal usability and content accessibility on desktops, tablets, and smartphones alike.
- **Weather android application** [JAVA, XML, API]
  - Android weather app developed using Java, XML, and API calls for seamless weather tracking.
  - User-friendly interface allows users to input city names and access data via API calls.
  - Data is processed in JSON format, ensuring a user-friendly presentation of weather information, making staying informed effortless.

## EDUCATION

- **Kalinga Institute Of Industrial Technology** Bhubaneswar, India  
*Bachelor of Technology - Computer Science Engineering; CGPA: 9.49 (Till 4th semester)* 2021 - 2025
- **Gyan Bharti Public School, Gaya**  
*Class 12th (CBSE); Percentage: 85%* 2021
- **Nazareth Academy, Gaya**  
*Class 10th (CBSE); Percentage: 93.8%* 2019

## ACCOMPLISHMENTS AND CERTIFICATIONS

- Completed HackerRank certifications **Problem-Solving (Basic)**.
- Completed HackerRank certifications **Problem-Solving (Intermediate)**.
- Completed **4 weeks Web development internship** at InternPe.
